

## **Privacy Policy**

Last Updated: 23.06.2022

### **1. The Monetum Wallet Provider**

We at Fenice Holding SA, a company incorporated in Switzerland, with registered address at Bahnhofplatz, 6300 Zug, Switzerland ("Monetum" or "we"), respect your privacy. This Privacy Policy explains the privacy practices for the Monetum App.

### **2. Registration/Login Not Required**

We do not require your name or email address and we do not require you to register or log in to use our App functionalities, such as to store, receive or send your cryptocurrencies.

### **3. Private Keys Stay on Device**

We do not have access to your funds. Your private key will stay on your device.

### **4. Camera Data Stays on Device**

Your camera will only be used for reading QR codes. Camera images will never leave your device.

### **5. Physical Location**

Your physical location is not communicated to us.

### **6. Blockchain Transactions**

Your blockchain transactions may be relayed through servers ("nodes") and will be publicly visible due to the public nature of distributed ledger systems.

### **7. Secure Communication with Our Servers**

All of our servers support HTTPS.

### **8. Communication with Third-Party Servers**

Balances, transactions and other blockchain information may be read from, or relayed to, third-party servers. We cannot guarantee the privacy of your Internet connection.

### **9. Software integrations**

Monetum has software integrations with the Monetum Quick Trade App, the crypto exchange platform that is also operated by Monetum. In future, Monetum may also have software integrations with third-party services that you may choose to use. If you use said services through this App, then there may be other terms and privacy policies that apply and it is your own responsibility to understand and agree to such terms and policies.

#### 10. **Personal data that are spontaneously or incidentally provided**

You may choose to provide us with personal data spontaneously, for example when contacting our customer support or our data protection officer in relation to this Privacy Policy. If you contact us, we may also incidentally collect your personal data but we will endeavour to keep that data secure and confidential. Support information may be managed using a third-party service and further terms of that service may apply to your support request.

#### 11. **All personal data is confidential**

Your personal data will be kept strictly confidential and never provided to third parties (other than in an aggregated, anonymized report such as number of users per month), unless otherwise required to comply with a legal/regulatory obligation. All Monetum staff are bound by confidentiality agreements.

#### 12. **Privacy Questions**

Questions should be directed to: [dpo@monetum.com](mailto:dpo@monetum.com)

Monetum reserves the right to change or amend any part of its Privacy Policy at any time in the future.
